Dear Applicant

Thank you for your interest in the position of Class teacher at the Dunedin Rudolf Steiner School. This is a part time temporary post that is vacant while a new Principal is recruited to the school. The class teacher would take a composite class 2 and 3 working on a 0.8 FTE. We hope that the successful applicant will not only be an experienced primary school class teacher but will also possess Steiner qualifications, or an interest in Steiner Education.

Our school is a full Primary School offering a Steiner curriculum to children from Class 1 to Class 7 (years 2 to 8). It is a State Integrated School with the Steiner Special Character. We are a member of the Federation of Rudolf Steiner Schools in New Zealand.

Our school roll stands at 38 and our strategy is to grow the school. With two kindergartens on site and five playgroups now operating we are aware that Steiner Education is starting to thrive in New Zealand and that school numbers will increase. We have 4 classes this year (Classes 1, 2/3 composite, 4 and class 6).

We enclose several documents for your information including a Class Teacher job description and our Mission Statement and Charter.

We welcome your interest and look forward to receiving your application. Please complete the attached application form and return with your CV and covering letter.

Yours faithfully

Board of Trustees
